

ASPIRE^{3D} 2020 ANNUAL REPORT

DREAM • DARE • DO
POWERED BY THE LOVELAND HOUSING AUTHORITY

In a year like no other we have experienced in our lifetime, we shifted the services we provided to address the immediate, basic needs of our residents as they navigated the pandemic. This meant ensuring they had food, hygiene products, medication and medical supplies, and the technology necessary to continue school and employment. We also focused on addressing the mental health challenges brought on by isolation, fear and anxiety of the unknown. We initiated weekly phone calls with residents to make sure they were safe and had their basic needs met. Through our growing partnerships we successfully achieved the following:
